The proposed amendment includes changes to the Future Land Use Map and related text for a parcel change from Residential to Commercial/Industrial.

The purpose of the project is to review and comment on the Springettsbury Township's request to amend the Springettsbury Township Zoning Map by rezoning thirteen (13) parcels located in the central region of the township. The rezoning site is at the northeast corner of Mt. Zion Road and East Market Street. The township is requesting that the site be rezoned from (N-C) Neighborhood Commercial to (M-U) Mixed Use with the (T-C) Town Center Overlay. The proposed amendment is being submitted for recommendation in accordance with Section 609.1(a) of the Pennsylvania Municipalities Planning Code.

A proposal to rezone this area from (N-C) Neighborhood Commercial to (C-H) Commercial Highway with the (T-C) Town Center Overlay was previously submitted as YCPC Project #15-030. The YCPC recommended that the township not adopt the proposed rezoning in July of 2015.
