

Before Starting the Project Listings for the CoC Priority Listing

The FY 2016 CoC Consolidated Application requires TWO submissions. Both this Project Priority Listing AND the CoC Application MUST be submitted prior to the CoC Program Competition deadline as required by the FY 2016 CoC Program Competition NOFA.

The FY 2016 CoC Priority Listing includes the following:

- Reallocation forms – must be fully completed if the CoC is reallocating eligible renewal projects to create new permanent housing – permanent supportive housing or rapid rehousing, new HMIS, or new SSO specifically for Coordinated Entry projects.
- New Project Listing – lists all new project applications created through reallocation and the permanent housing bonus that have been approved and ranked or rejected by the CoC.
- Renewal Project Listing – lists all eligible renewal project applications that have been approved and ranked or rejected by the CoC.
- UFA Costs Project Listing – applicable and only visible for Collaborative Applicants that were designated as a Unified Funding Agency (UFA) during the FY 2016 CoC Program Registration process. Only 1 UFA Costs project application is permitted and can only be submitted by the Collaborative Applicant.
- CoC Planning Project Listing – Only 1 CoC planning project is permitted per CoC and can only be submitted by the Collaborative Applicant.
- Grant Inventory Worksheet (GIW) – Collaborative Applicants must attach the final HUD-approved GIW.
- HUD-2991, Certification of Consistency with the Consolidated Plan – Collaborative Applicants must attach an accurately completed, signed, and dated HUD-2991.

Things to Remember:

- All new and renewal projects must be approved and ranked or rejected on the Project Listings.
- Collaborative Applicants are responsible for ensuring all project applications are accurately appearing on the Project Listings and there are no project applications missing from one or more Project Listings.
- Collaborative Applicants are strongly encouraged to list all project applications on the FY 2016 CoC Ranking Tool located on the FY 2016 CoC Program Competition: Funding Availability page on the HUD Exchange as this will greatly simplify and assist Collaborative Applicants while ranking projects in e-snaps by ensuring no rank numbers or duplicated and that all rank numbers are consecutive (e.g., no missing rank numbers).
- If a project application(s) is rejected by the CoC, the Collaborative Applicant must notify the affected project applicant(s) no later than 15 days before the CoC Program Competition application deadline outside of e-snaps and include the reason for rejection.
- For each project application rejected by the CoC the Collaborative Applicant must select the reason for the rejection from the dropdown provided.
- If the Collaborative Applicant needs to amend a project application for any reason after ranking has been completed, the ranking of other projects will not be affected: however, the Collaborative Applicant MUST ensure the amended project is returned to the applicable Project Listing AND re-rank the project application BEFORE submitting the CoC Priority Listing to HUD in e-snaps.

2-1. Is the CoC reallocating funds from one or more eligible renewal grant(s) that will expire in calendar year 2017 into one or more new projects? Yes

3. Reallocation - Grant(s) Eliminated

CoCs that are reallocating eligible renewal project funds to create a new project application – as detailed in the FY 2016 CoC Program Competition NOFA – may do so by eliminating one or more expiring eligible renewal projects. CoCs that are eliminating eligible renewal projects entirely must identify those projects on this form.

Amount Available for New Project: (Sum of All Eliminated Projects)				
\$40,000				
Eliminated Project Name	Grant Number Eliminated	Component Type	Annual Renewal Amount	Type of Reallocation
YMCA Homeless Out...	PA0194L3T121508	PH	\$40,000	Regular

3. Reallocation - Grant(s) Eliminated Details

*** 3-1. Complete each of the fields below for each eligible renewal grant that is being eliminated during the FY 2016 reallocation process. Collaborative Applicants should refer to the final HUD-approved FY 2016 Grant Inventory Worksheet to ensure all information entered on this form is accurate.**

Eliminated Project Name: YMCA Homeless Outreach

Grant Number of Eliminated Project: PA0194L3T121508

Eliminated Project Component Type: PH

Eliminated Project Annual Renewal Amount: \$40,000

3-2. Describe how the CoC determined that this project should be eliminated and include the date the project applicant was notified. (limit 750 characters)

Removal of this project was a mutual decision between the CoC & recipient organization as a result of 2 years of discussion about the project's underperformance. The project was no longer serving the ultimate goal of the CoC - to house individuals quickly and permanently. Discussions occurred w/ the YMCA prior to the Ranking Committee's FY 2015 recommendation to cut funding to this project in half. CoC spent time meeting w/ community funders to help the YMCA find funding that fit the goals of the YMCA's program. As a result, the YMCA of York County elected not to apply for ongoing CoC dollars and their funds were reallocated to new projects in FY 2016 – a decision approved by the Review & Ranking Committee of the CoC Governing Board.

4. Reallocation - Grant(s) Reduced

CoCs that are reallocating eligible renewal project funds to create a new project application – as detailed in the FY 2016 CoC Program Competition NOFA – may do so by reducing one or more expiring eligible renewal projects. CoCs that are reducing eligible renewal projects entirely must identify those projects on this form.

Amount Available for New Project (Sum of All Reduced Projects)					
\$39,474

4-1. Complete the fields below for each eligible renewal grant that is being reduced during the FY 2016 reallocation process. Collaborative Applicants should refer to the final HUD-approved FY 2016 Grant Inventory Worksheet to ensure all information entered here is accurate.

Reduced Project Name: Permanent Housing for Persons with Disabilities
Grant Number of Reduced Project: PA0189L3T121507
Reduced Project Current Annual Renewal Amount: \$296,072
Amount Retained for Project: \$285,465

(This amount will auto-calculate by selecting "Save" button)

4-2. Describe how the CoC determined that this project should be reduced and include the date the project applicant was notified of the reduction. (limit 750 characters)

The Review & Ranking Committee of the CoC Governing Board made the decision to ensure that all renewal projects would fit in Tier 1 funding. As a result, most housing projects were reduced (with the exception of 1 RRH project that has not yet begun serving consumers). In this case, the R&R Committee reviewed the budget line items for the project and determined cuts could be made to staffing and still maintain a quality program without reducing the number of households served. The amount of this cut was determined through that staffing change. The project was notified on 8/25/16.

In this case, the R&R Committee reviewed the budget and discovered for the 3rd consecutive year this project did not spend down all of their funds and returned a portion to HUD. It was determined they could afford a cut to overall budget based on their draw down amount the last 2 years, without reducing the number of households served. The project was notified on 8/25/16.

As a result, most housing projects were reduced (with the exception of 1 RRH project that has not yet begun serving consumers). In this case, the R&R Committee reviewed the project and found their HMIS data quality and quarterly draw downs did not meet CoC standards. The budget line items for staffing could also be cut and still maintain a quality program without reducing the number of households served. The amount of this cut was determined through a penalization for not drawing down quarterly, bad data quality, and staffing changes. The project was notified on 8/25/16.
