Class Full — Waiting List: If the website says the class is full and you are interested in the virtual course, please email ltap@pa.gov with the course you are interested in attending. Classes will be added if there is a demand for the course.

This list represents the classes scheduled when this flyer was created. Please check the website for a full listing of classes.

Registration: Register for classes on the LTAP website, gis.penndot.gov/ltap/. All virtual classes have **Virtual, PA**, as their location on the website. If you need assistance with registration, please contact LTAP at LTAP@state.pa.us or call 1-800-FOR-LTAP or 717-787-5243.

Time: All classes are from 8 to noon, unless noted.

v.II: If a class has a v.II in the title, it is a **new** class for **Roads Scholars**. The class recently went through a major update.

Group Participation in LTAP Virtual Class: A municipality may have a few staff participate in a virtual class together if they are meeting their municipal requirements for COVID. The class can also be viewed through a smart phone. After the class, everyone needs to use the same link to fill out the quiz and evaluation forms. The forms may also be completed on a smart phone. Please have everyone register on the website who is planning on attending and completing the quiz.

LTAP Emails: If you are not receiving emails from LTAP and would like updates on education opportunities, please contact LTAP to update your address at LTAP@state.pa.us or call 1-800-FOR-LTAP or 717-787-5243.

LTAP Contact Information:

LOCAL TECHNICAL ASSISTANCE PROGRAM

Virtual Drop-in Sessions

LTAP Virtual Drop-ins are centered on various safety and maintenance topics. These sessions are **not** virtual classes; they are informal one-hour live sessions focused on networking and sharing information with other municipal roadway personnel. Whether you're new to the virtual world or have lots of experience, you will enjoy meeting up online with LTAP staff and other municipal staff to learn and discuss information critical to your job.

LTAP staff will start the session with a short presentation and then open the discussion to attendees to ask questions and share their experiences. LTAP will guide the discussion to keep it focused and accurate.

Register at gis.penndot.gov/ltap, under "Bulletin Board."

Note: The drop-ins are not eligible for Roads Scholar credits.

Upcoming Virtual Drop-in Sessions:

Session 9 – Safety Tips for Flagging, Thursday, September 3

Session 10 – Salt Brine: Does using salt brine before a storm really work?, Friday, October 2

Session 11 – Speed Limits: Have your residents said, "We have a speeding problem"? Thursday, November 5

Session 12 – Accident Reporting for CDL and Non-CDL Drivers, Thursday, December 3

Archived Virtual Drop-in Sessions:

Recorded sessions and handouts from previously held drop-ins are available at connect.psats.org/trainingevents/ltapresourcepage. There is also a link under "Bulletin Board" on the LTAP homepage, gis.penndot.gov/ltap. Below is a list of the recordings:

Session 01 – Asset Management

Session 02 – Curves

Session 03 – Traffic Calming

Session 04 – Trail Crossings

Session 05 – Trucks

Session 06 – COVID-19

Session 07 – Mastics

Session 08 – Traffic Poles

Upcoming Webinars

The following LTAP webinars will be repeated on two consecutive days from noon to 1 p.m. Registration is free and will open 30 days prior to the webinar; email notifications will be sent. Register at gis.penndot.gov/ltap, under "Webinars."

- ABC's of Asset Management, September 24 or 25
- Municipal Responsibilities on State Roads, November 19 or 20
- Emergency Preparedness from the Road Crew Perspective, December 10 or 11

Registration: If you need assistance with registration, please contact LTAP at LTAP@state.pa.us or call 1-800-FOR-LTAP or 717-787-5243.

Technical Assistance

LTAP can provide onsite and phone/email assistance. If you have a safety or maintenance question, reach out to LTAP and the technical experts will provide assistance.

All LTAP services are free to municipalities.
