

York MPO Obligation Report 2022
Annual Listing of Federally Obligated Projects
 October 1, 2021 to September 30, 2022

Breakdown of Projects by Phase

The following lists all federally funded transportation projects in the YAMPO region spent in federal fiscal year 2022. During the FFY 2022, the total federal funding obligated to projects was \$22,620,864, while a total of \$2,207,442 was de-obligated from projects that have been completed and projects that no longer had programmed funding. The chart and graph below identify the phase from which all federal funds were obligated and de-obligated in FFY 2022. A more detailed report of individual project listings, including project descriptions continues on the following pages.
